Story – The Greedy Dog

Once there was a dog searching for food. It found a bone. The dog took the bone and was going back home. When the dog started crossing the bridge, it saw its reflection in the water with a bone in its mouth. It thought that there was another dog with a bone in the water. It wanted to have the other bone too. It opened its mouth to say, "Bow-Wow". The bone fell from its mouth into the water. The dog lost its bone and it remained hungry.

Moral of the story – Be happy with what you have !!
